

## **Map Skills - Niagara Falls**

The questions in this round all have to do with the attached map of the Niagara Falls area.

1. If you were travelling North on the Q.E.W. highway, would you be heading towards Toronto or Buffalo?
2. Rainbow Bridge is down river from the Falls. In which cardinal direction – north or south – is the Niagara River flowing?
3. Which side of the river is part of the United States of America – A or B?
4. If you were to cross the Niagara River by car, how many bridges do you have to choose from?
5. Which of these bridges is closest to Buffalo, New York?
6. If you were travelling from the Butterfly Conservatory to Marineland via the Niagara Parkway in which direction would you be travelling?
7. Are you on the East or West side of the Niagara River?
8. If you were to drive from the Skylon Tower to Niagara Falls, New York, in which direction would you travel?
9. Is the Welland River in Canada or in the United States?
10. If you were visiting the Butterfly Conservatory, over which bridge is your shortest route to the United States?
